h. Hypothetical example illustrating all fees, charges paid from The Fund's Assets or unitholders based on the currency of the fund

Please refer to sub-paragraph (c) from paragraph (9) of these terms and conditions.

10) Valuation and Pricing

a. Valuation of Fund Assets

- The total value of the Fund's assets is calculated based on the last closing prices of the underlying securities owned by the Fund on the Valuation Day in addition to any accrued profits.
- Investments in unlisted securities will be valued based on the investment cost in addition to any accrued profits for the period up to the valuation date.
- Investments in other investment funds will be valued based on the latest unit price declared by the investee Fund.

b. Frequency of valuation and number of valuation points

The value of the Fund's assets shall be valued at the end of each day (from Monday to Friday) provided that they are Business Day for the Sub-Manager, on the basis of the latest closing stock prices available on that day, unless the markets are closed on that day, in which case the valuation shall be held on the next Valuation Day, and the Unit price shall be announced on next Business Day in the Kingdom following the Valuation Day except Fridays, where the unit price for Friday will be announced on Monday provided it is a working day in Kingdom.

c. Actions to be taken in case of mis-valuation or mis-pricing

In the event of incorrect valuation or mispricing of any asset of the Fund or in case of calculations errors to the unit price, the Fund Manager and Operator shall:

- The fund operator must record each instance where an asset of the public fund is valued incorrectly or the price of a unit is calculated incorrectly.
- The fund operator must compensate all harmed unitholders (including former unitholders) as soon as reasonably practicable for all valuation or pricing errors.
- The fund manager must immediately report to the Authority any valuation or pricing error of (0.5%) or more of the price of a unit and disclose it immediately on its website and any other website available to the public according to the controls set out by the Authority and in the public fund's reports prepared in accordance to articles (76) of Investment Funds Regulations.
- The fund manager, in its reports to the Authority pursuant to Article (77) of Investment Funds Regulations., must provide a summary of all valuation and pricing errors.

d. Method for calculating the unit price

The Unit price will be calculated using the total value of the Fund's assets mentioned above in subparagraph (a) of paragraph (10) "Valuation and Pricing", including the profits due, profits to be collected and the reinvested dividends of the Fund, and deducting management fees after deduction of all expenses and fixed obligations and any expenses due; then, divide the result by the total number of Units that exist at that time.

In exceptional or contingency cases in which the Fund Manager reasonably determines that a significant portion of the Fund's assets cannot be assessed reliably, the valuation of the Fund's assets may be delayed until such interim action is subsequently reviewed by the Fund Manager.

The Net Asset Value of the Fund is calculated as follows:

1. All expenses, fixed charges and operating expenses are calculated on a daily basis of the total assets and are deducted on the valuation date.
2. Management fees are calculated and deducted from the output of the previous step and the result is the Net Asset Value of the Fund.

The two previous steps can be summarized in the following equation:

Net Asset Value of the Fund = (Total Asset Value - Fixed Fees and Actual Operating Expenses) - (Management Fees).

e. The publication time and place of the unit price, and its frequency

The unit prices will be announced on the next Business Day in the Kingdom following the Valuation Day on the Fund Manager's website: www.alahlicapital.com and on Tadawul website: www.Tadawul.com.sa and any other website available to the public according to the controls set out by the Authority.

11) Dealings

a. Details of the initial offer and unit price

The Fund's Units were launched in May 2000 and the unit price at the beginning of the offering was one US Dollar.

b. Date and deadline for submission of requests for subscription, redemption and the responsibilities of the fund manager and operator in relation to these requests

- **Fund manager and operator responsibilities in relation to subscriptions and redemption requests:**
 - Subscription and Redemption requests can be submitted on every Saudi Business Day. The request will be processed based on the Unit price of the nearest dealing day if the request was submitted prior to the deadline for subscription and redemption requests, as demonstrated in the Terms and Conditions.
 - The operator shall execute the subscription and redemption requests and pays the redemption proceeds in accordance with the terms and conditions of the Fund, in a manner not inconsistent with the Investment Funds Regulations.
- **Subscriptions requests:**

All subscriptions payable in US Dollar must be made at or before 12:30 PM local time in Saudi Arabia on the Saudi Business Day prior to the target Dealing Day in order to commence participation in the Fund from the Dealing Day. Applications received after 12:30 PM local time in Saudi Arabia or if the intended subscription day falls on a formal holiday for banks or CMIs, will be processed on the second

Dealing Day after the subscription. Subscriptions, redemptions or transfers requests can be made through alternative distribution points (the Fund Manager's phone or website). Subscriptions made through other forms of payment, such as checks and transfers, may require additional time to settle and collect them, and they will be invested in the Fund as of the Dealing Day following the collection date.

- **Redemption requests:**

Redemption may be made on any Dealing Day provided that a written notice or completed redemption form is received through branches at or before 12:30 PM local time in Saudi Arabia on the Saudi Business Day prior to the target Dealing Day. If Redemption applications received on Saudi Business Day after 12:30 PM, or if the intended redemption day falls on a formal holiday for banks or CMLs, redemption will be processed on the second Dealing Day after the subscription.

c. Subscription, redemption and ownership transfer procedures and the period between request for redemption and payment of redemption proceeds

- **Subscription procedures:**

Subscriptions can also be made through alternative channels via website or phone provided by the Fund Manager, the subscription amount is then deducted from the client's account. Individual Investors must present a valid personal identification such as the national identity card (for Saudis) or iqama (for non-Saudis). Legal entities (companies and institutions) must provide a signed company letter as well as a copy of the company's commercial registration, in addition to other documents required by the Fund Manager depending on the type of company or institution.

- **Redemption procedures:**

The unitholder may submit a partial or full redemption request at any time by providing a written notice, or by filling out and delivering the Redemption Form which can be obtained from certain branches or through alternative channels (the Fund Manager's phone or website). The unitholder must present a valid national identification card or valid iqama card if he/she wishes to redeem through branches. The unitholder must also determine whether he/she wishes to recover the value of his/her units in full or in part. If the unitholder submits a partial redemption request and the total value of its units falls below the required partial redemption amount, the Fund Manager has the right to refuse the redemption on the targeted day without any liability to the Fund Manager. The investor then must file a new redemption request to be executed on the next dealing day.

- **Redemption by Fund Manager:**

The Fund Manager reserves the right to redeem units sold to any investor in full or in part, with notice to the investor later if he believes that such subscription may result in a violation of CMA regulations and / or other applicable regulations and / or Terms and Conditions of the Fund without holding the Fund Manager liable.

- **The period between the redemption request and the payment of redemption proceeds:**

Redemption proceeds shall be available to the unitholder by no later than the close of business on the fourth day following the valuation point at which the redemption price is determined.

- **Transfers between two funds:**

Transfers between two public open-ended SNB Capital funds is a single transaction consisting of two parts: redemption and subscription. Based on this, the redemption process is carried out in accordance with the above "Redemption Requests" section, and then the subscription process is done according to the "Subscription Requests" form of the other Fund. Upon request of the transfer, the Investor must fill in the transfer form and submit it to the customer service representative in the branch accompanied by his/her personal identification, or transfer through alternative channels.

- d. **Restrictions on dealing in units of the fund**

The Fund Manager shall comply with the provisions of the Investment Funds Regulations and with these Terms and Conditions when executing subscription and redemption requests.

- e. **Circumstances in which dealing in units may be deferred or suspended, and the procedures followed in those cases**

- **Deferring redemption request:**

The Fund Manager may postpone the execution of any redemption request until the next dealing day if the total unitholder redemption requests on any trading day equals or exceeds 10% of the Fund's Net Asset Value. Deferred redemption requests will be processed on pro-rata basis on the nearest dealing day. The Fund Manager, acting in good faith, will pay the redemption proceeds to the unitholders at the earliest practicable opportunity.

- **The Fund Manager suspends dealing in the fund's units in the following cases:**

- The fund manager must suspend the subscription and redemption of units if the Authority orders any such suspension.
- If the fund manager reasonably believes that any such suspension is in the best interests of the unitholders in the fund.
- If there has been a suspension of dealing on the principal market in which the securities or other assets held by the fund are dealt, either in general or in relation to assets of the fund which the fund manager reasonably believes to be material to the net asset value of the public fund.

- **Procedures to be taken by the Fund Manager in case of suspension of dealing in the fund's units:**

- ensure that any suspension continues only for as long as it is necessary and justified having regard to the best interests of the unitholders.
- Review the suspension on a regular basis and shall consult with the fund's board of directors, the custodian and the fund operator on a regular basis regarding that.
- Notify both the Authority and the unitholders immediately of any suspension, and give the reasons for the suspension, and shall similarly notify both the Authority and the unitholders as soon as the suspension ends and disclose it on its website and any other website available to the public according to the controls set out by the Authority.
- the Authority shall have the power to lift such suspension if the Authority believes that to do so is in the best interests of unitholders.

- **Rejection of Subscription Requests:**

The Fund Manager may reject any request to subscribe in the Fund if such subscription would violate CMA regulations or the Anti-Money Laundering Regulations. The Fund Manager may also cease to accept subscription applications if the increase in subscriptions into the Fund would adversely affect current unitholders.
